Mission

To increase the number of culturally responsible Black Engineers who excel academically, succeed professionally and positively impact the community.

Vision

We envision a world in which engineering is a mainstream word in homes and communities of color and all Black Students can envision themselves as engineers. In this world, Blacks exceed parity in entering engineering fields, earning degrees and succeeding professionally.

Bake Sale

- ❖ Yesterday's bake sale was a success!
- ❖ Thank you to all the volunteers who contributed!
- ❖ NSBE will be hosting more bake sales in the future, so make sure to look out for those!
